About Me

Enthusiastic and goal-oriented college student pursuing a Bachelor of Technology in Computer Science and Engineering with a passion for coding. Eager to apply my academic knowledge and skills gained from coursework to contribute effectively in a professional setting.

As a detail-oriented and adaptable individual, I am eager to take on challenges and collaborate with teams to achieve shared goals. My strong communication skills, coupled with a proactive approach to learning, make me a valuable asset in a dynamic work environment.

Professional Experience

Internship

I got an opportunity to work as an intern in Unique Occassio Tech. I got an opportunity to take a peek into the real tech world and add up a lot to my skills. The internship was for 1 month(May). I got an opportunity to add Angular to my skillset.
